A Better Bike for a Better Future

Liberty Ebike Referral Program & Benefits

We Make It Simple:

**You Earn \$50 per Liberty Ebike
and Others Get a Great Deal!**

People love to share their great experience with the Liberty Electric Bikes. Anyone who has ever been on the street or trail with one of our bikes understands how much attention comes their way. Because people often like to talk with an experienced ebike owner or to take one for a test drive, we have created this referral program.

How It Works:

You, as an ebike owner, share your experience and joy of riding your Liberty Ebike with anyone interested. You answer their questions and even can let them take a short test drive. Give them our web site or phone number (814-326-4121) to make a purchase. We provide a business-size card with a special "promotion code" that gives a special offer on either a bike lock, bike computer, or other accessory if they mention this promotion code when they call us.

The Rules of the Program:

1. To qualify for the referral bonus, the customer must use your "code" at the time of purchase.
2. Only orders placed by a new customer and placed directly with Liberty Electric Bikes qualify for the bonus.
3. Only new Liberty Electric Bike orders qualify for the referral bonus.
4. Only one promotion code can be used for any order. (The customer cannot use your "code" in combination with any other promotion.)
5. You must be over 18 and signed up for this program prior to the customer's inquiry for a referral bonus.

Getting Paid:

Your "promotion code" entered by the purchaser registers this sale as your referral. At the end of each month, we will give you a report with your referral totals for the month and a check to you for the previous month's referrals.

What To Do:

1. Ride your Liberty Ebike everywhere and carry your promo cards with you.
2. Share the Liberty Electric experience with friends, classmates, coworkers, and others.
3. A test ride will often win them over if you are comfortable doing this.
4. Develop your own personal marketing program: post flyers, mail your card to others, get the word out!
5. DO NOT publish your code in any magazines, newspapers, internet, web sites, etc.
6. Enjoy! You will be surprised to find out how FUN this is!
